EXPERIENCE

Internship at Multidots Solutions Pvt. Ltd.
WordPress Full stack Development, Ahmedabad

January 2024 - June 2024

- During my six-month internship at Multidots Solutions Pvt. Ltd., I worked as a WordPress Full Stack Developer intern.
- I gained hands-on experience with front-end and back-end technologies including HTML, CSS, JavaScript, React.js, PHP, jQuery, and MySQL. I also worked with tools like Photoshop, Figma, Gulp and Grunt.
- I developed several websites, including a "WooCommerce site" and the "Grow Your Business" website, applying my skills in a real-world setting.
- This internship enhanced both my technical skills and soft skills such as teamwork and adaptability.

ONGC Internship
INFOCOM Department, Mehsana

July 2023 - August 2023

- During my valuable 15-days internship at ONGC, I immersed myself in the Laravel framework, Laravel follows the Model-View-Controller (MVC) architectural pattern, a PHP-based web application development tool.
- One of my primary responsibilities was updating the Daily Progress Reports (DPR) for various departments within ONGC using Laravel framework.
- During my internship at ONGC enhanced my teamwork, adaptability, and flexibility skills.

PROJECTS

MOBILE CART WEBSITE   April 2024 - May 2024

- The shopping website specifically focuses on selling mobile phones. It was developed using HTML, CSS, JavaScript, PHP and MySQL, featuring a responsive design for a mobile-friendly interface.
- Implemented secure user login and registration.
- Features for viewing, searching, and categorizing mobile products.Dynamic shopping cart with add, update, and remove functions.
- Integrated checkout and payment system.
- Users can view past orders and track current orders.
- Designed and optimized database for efficient data handling.

CHATWEBSITE   July 2023 - August 2023

- Developed and designed a chat application using PHP, MySQL, and JavaScript as part of my learning projects.
- Successfully implemented real-time messaging functionality and securely stored chat data in phpMyAdmin.

CERTIFICATES
